Master of Health Software; Datasel Information Systems

Established in 1889, Datasel Information Systems Inc. serves its customers with sexperience of more than 29 years and a software strategy focused on health information systems. Assistant General Manager of Datasel Information Systems Basim (Edin says that they provide project based services and that they apply the solutions developed according to the needs of the customers. Getin states that the technology leads development and change together in the incustory, and they are responses to these changes lead to more advanced and effective products entering the market.

Telian that they foliour the industry and the external factors it a affected by closely, Cellan says. "For this purpose, Datasel has become prepared to the future by developing its strategic product family towards the future of the industry. Only thing let for us to do is to bring in this strategic product family towards the future of the industry and going to the customer portfolio that has reached a sufficient saturation with these products and implement them. This is carried out successfully through the marketing and promotion activities conducted by the professional staff of Dataset We go to the discretize or intermotional markets that we observe our target customer portfolio discretized in the control of the control of the customer portfolio to the control of the control of the control of the customer portfolio discretized in termonical markets that we observe our target customer portfolio to the customer portfolio state of the control of the customer portfolio the customer portfolio state of the control of the customer portfolio the customer portfolio that has been control of the customer portfolio that the customer portfolio that has been control of the customer portfolio that the customer portfolio that has been control of the customer portfolio the customer portfolio that the customer portfolio the customer portfolio that

Basin Cells states that their essential working principles are encovation, specialization, customer satisfaction reliability and customer orientation Cells expresses that, inversely proportional to the appreciation the successes of the organizations that orient the health addissty in Turkey receive, the health industry is not regulated on a few subjects and an accreditation environment such as the same of the subjects and an accreditation environment such as the same that the same that the same that the same that a provide efficiency and return on investments, it's far from the dynamism that competition may provide and that can benefit both manufacturer and the user. The existing state harms the manufacturers of the industry with unfair competition. Since the loss of users will be observed majory in medium and long in, loss will be even inner in this new lobe to be designed to the same that the competition of the control of tender rules of user or productivervice areas. Since believe that it will be right to a suggest solutions, not only complaining about the subject, as Dataset, we continue to work with the industry leaders for taking the measures in order to prevent this and to create an efficient competition environment. Because, as Listated, we believe the all to create an efficient competition environment. Because, as Listated, we believe the create an efficient competition environment.
